SPECIAL SHAPES (TEMPLATE)
Please indicate the walking direction on the template

The area quoted for will be the area of the rectangle containing the shape of the mat.
An extra 10% will be charged.

Colour Options (please indicate)

Rubber

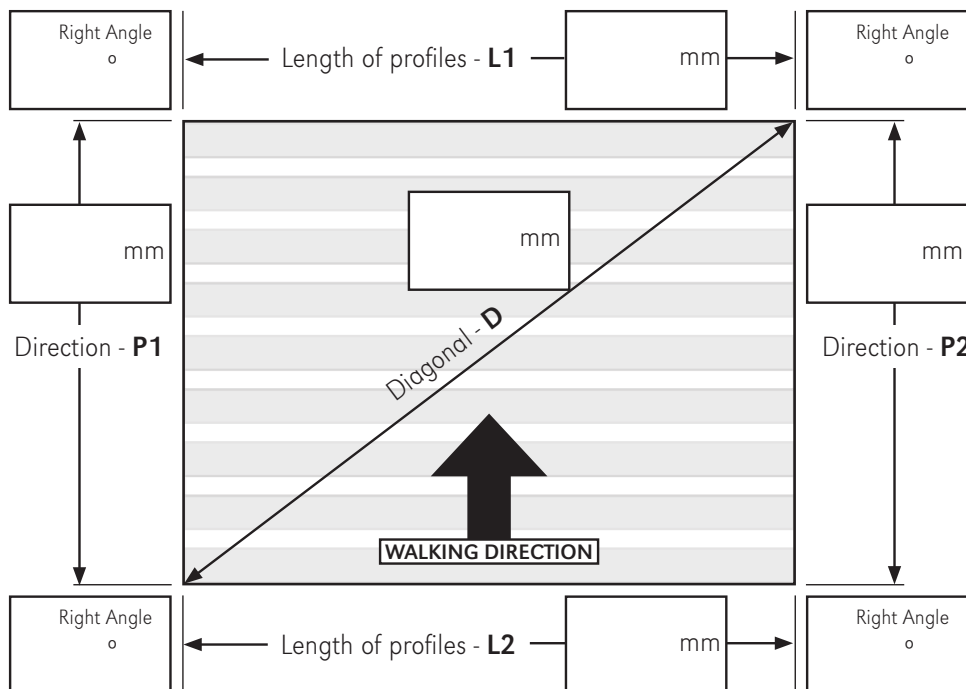

Grey

Natural

Red

Anthracite

FILL IN THE MEASUREMENTS

Where possible, we try to make TrakMat in one piece. However, in the case of big sizes it is better to have several parts: handling will then be easier. An installation diagram will be provided at the delivery of the mats.

If you cannot give us the dimensions of your carpet using the diagram, a template is needed.
Feel free to contact us.
